Meera was a cheerful girl of Class 5 at Sunshine Public School in New Delhi. She had a voice as sweet as a nightingale and was the lead singer of the school choir as well. Her teachers adored her for her qualities of dedication and sense of responsibility. One evening, her parents received an e-mail which conveyed that she got an opportunity to perform at an International Music Festival in Ahmedabad. Meera's father, who was also a musician, was particularly glad of her success. Meera started practising for more time for the performance. Then she came to know that her school's annual day is also scheduled on the same day for which she was preparing to perform at the Music Festival. She knew that, she had to lead the choir. Meera felt puzzled. The music festival was a chance to show the world her singing. But the Annual Day was where her choir friends depended on her. After thinking deeply, Meera made her choice. She decided to perform at the school Annual Day. She believed that while the music festival was about her individual growth, the Annual Day was about teamwork and loyalty. She didn't want to let her choir down. On the Annual Day, Meera sang beautifully, leading the choir with confidence. The performance was magical and everyone applauded her team. Her teachers praised her not only for her voice but also for her sense of responsibility. Meera got several opportunities later for her musical talent, and she also proved herself well in academics.
